Overdose Prevention Team Substance Use Program Inventory

As of the Second Calendar Quarter, 2026

TABLE 2. OPT PROGRAM INVENTORY (No COLOR)
As of the Second Calendar Quarter, 2026

Note: Maryland's Office of Overdose Response evaluates and updates the program inventory on a regular basis, and the number of programs may change. We frequently add new programs that have been shown to be effective and, where appropriate, remove programs that no longer fit our criteria for inclusion due to the dynamic nature of the overdose crisis.
